BE PREPARED

Dr. Gibbons will be using the repertoire below in her accompanying classes. Choose one assignment to practice. As you are able, learn the remaining repertoire. If these are beyond your level, just learn one page, or learn the right hand, or just come to class and learn. No need to worry!

1. Meditation by Massenet
2. Carnival of Venice by Genin - Learn the Theme and Variations. The introduction and piano interludes may be skipped if they are too difficult.
3. La Flute de Pan by Mouquet - Learn Movement II. Movement I - optional.
